Department of Co-operation

Office of the Registrar of Co-operative Societies

No. 5/6/00-TS

Read: 1. Audit Report for the year 1994-1995 to 1998-1999.

2. Letter No. 6/23/98/ADT dated 10-02-2003.

3. This office Notice No. 5/6/00-TS dated 30-07-2004 whereunder the society was called upon alongwith Managing Committee Members on 19-08-2004.

The Bicholim Taluka Maringan Hitwardhak Bamboo Workers Co-op. Society Ltd., Bordem Bicholim-Goa was registered under code symbol No. PRD-(A)-1/NZ/Goa on 14-09-1979 and was classified as "Producers Society"

under sub-classification No. 7 (a) "Industrial Producers Society" in terms of Rule 9 of the Co-operative Societies Rules, 1962. The main objectives have been specified in the Bye-law No. 2(1 to 10) i.e. encourage thrift, self-help and Co-operation amongst its members to fulfill the needs of the members, to raise funds as per the provisions of Bye-law No. 3, to prepare material from bamboo, to utilise raw material, furnishing goods, equipments for the benefit of the members of the society to procure raw materials from the members and to advance loans etc.

And whereas, in terms of provisions of Rule 58 of Co-op. Societies Rules, 1962 every Co-op. Society shall prepare the Statements of Accounts within 45 days at the close of every Co-op. year i.e. on or before 15th May of every Co-op. year and copy thereof shall be submitted within 15 days from the date of preparation i.e. 31st May to the Registering Authority or to the auditor appointed by the Registrar of Co-op. Societies to undertake the audit of your society. However, it is observed that the society has failed to prepare the Statements of Accounts comprising of Receipt and payment, trading accounts, profit and loss account and balance sheet alongwith relevant schedules from the year 1999-2000 till date and as such the society has violated the provisions of aforesaid Rules.

And whereas, it transpires from the records of this office that the society has not held its Annual General Meeting in accordance with the provision of Section 75 of the Maharashtra Co-op. Societies Act, 1960 as applied to the State of Goa. Infact it was mandatory on the part of the management of the society to call the aforesaid Meeting within a period of three months after the date fixed for making up its statement of accounts every year i.e. by 15th August, and in case of failure it can be convened within the extended period i.e. upto 14th November with prior permission of the Registering Authority. However, the management has failed to comply with also the aforesaid Section and hence it is felt that there appears to be no avenue left for the management of improving such precarious condition of the society. So also none of the members appears to be interested in running the day to day affairs of the society.

And whereas, it appears from the records of this office that the audit of the said society has been completed upto 1998-1999. Although repeated attempts have been made by this office to conduct the audit of the society by the auditor to whom the audit was allotted, the management has failed to extend Co-operation to undertake the audit and therefore inordinate delay has been caused which has lead to the pendency of audit for more than 15 years. The last audit report which rested with this office exhibits the financial position as on 31-03-1999 are as follows. The society has sustained an accumulated loss to the tune of Rs. 689/-, members Share Capital Rs. 760/-, members loan receivable is Rs. 8189/- and cash and Bank balance Rs. 664/-. However, it can be clearly observed from the above that almost the entire share capital contributed from the members have been wiped off the accumulated loss. Considering

the above position, it was obligatory on the part of the management of the society to run the society smoothly and effectively to achieve their objectives as laid down in its bye-laws. However, despite of the above fact the management has not taken any cognizance to streamline the working of the society or made any efforts to improve the prevailing conditions and therefore this has lead to the stagnation of the society.

And whereas, this office vide letter mentioned at Sr. No. 2 has brought to the notice of the Chairman of the society regarding non-compliance of the provisions of Rule 58 of the Co-op. Societies Rules, 1962 for the State of Goa and instructed them to prepare and submit the statement of Accounts by 28-02-2003 and was cautioned to take drastic action against the society as per the prevailing Law in force. In case, the society fails to comply with the above requirements. Considering all these aspects, I am of the considered opinion that the neither management has adhered to the instruction nor made any attempts to comply with the requirements and it appears that they are no more interested in managing the affairs of the society within the frame work of Act, Rules and Bye-laws of the society and therefore, it is felt that no useful purpose be served in continuing the existence of said society and if the present position of the said society is allowed to be continued in such a state there will be no scope for improvement and may lead to further deterioration.

In view of the above, the undersigned vide Notice mentioned at Sr. No. 3 has requested the Chairman of the society alongwith the members of Managing Committee to remain present for the hearing scheduled on 19-08-2004 at 10.30 p.m. in the Chamber of undersigned in the terms of provisions of sub-section 2 of section 102 of the Maharashtra Co-op. Societies Act, 1960, copies of relevant documents to defend their say. However, none of the Managing Committee members remained present for the hearing and the scheduled date and time and also no written replies have been filed by the management in this respect.

On carefully examining and considering the precarious State of the present financial position and poor response from the management for Managing the affairs of the society as per the provisions of the Act, Rules and Bye-laws it appears that there are grounds to believe that there is prima-facie evidence that the society has ceased working and irregular conduct of aforesaid management. Consequently, in the interest of the justice and restoring of the trust of the Shareholders there seems to be no any other option/alternative before the Registering Authority but to wind up the affairs of the society.

Therefore, it is felt expedient to pass following order.

ORDER

Read: 1. Audit Report for the year 1992-1993.

2. Letter No. 6/23/98/ADT dated 10-02-2003.

3. This office letter No. 2/7/00-TS dated 20-08-2004 whereunder the society was called upon alongwith Managing Committee Members on 31-08-2004.

The Podwal Citizens Consumers Co-op. Society Ltd., Corjuem Aldona Mapusa-Goa was registered under code symbol No. CON-20/NZ/Goa on 27-03-1991 and was classified as "Consumers Society" in terms of Rule 9 of the Co-op. Societies Rules, 1962. The main objectives have been specified/defined in the Bye-laws No. 4 (1 to 3) i.e. to procure, produce or process and to distribute goods or to perform the services for its members and also other customers etc.

And whereas, in terms of provisions of Rule 58 of Co-op. Societies Rules, 1962, every Co-op. Society shall prepare its statements of Accounts or within a period of 45 days from the date of close of every Co-op. year i.e. 15th May of every Co-op. year and copy thereof shall be submitted within 15 days from the date of preparation i.e. 31st May to the auditor appointed by the Registrar of Co-op. Societies to undertake the audit of your society. However, it is observed that the society has failed to prepare and submit statements of accounts comprising of Trading, Profit and Loss account and Balance Sheet alongwith relevant schedules from the year 1993-1994 till date and as such the society has violated the provisions of aforesaid Rules.

And whereas, it transpires from the records resting in this office that the society has not held its Annual General Meeting in accordance with the provisions of Section 75 of the Maharashtra Co-op. Societies Act, 1960 as applied to the State of Goa. In fact it was mandatory on the part of the Management to convene the aforesaid meeting within a period of three months next after the date fixed for making up its Statement of Accounts every year i.e. by 15th August and in case of failure it can be convened within the extended period upto 14th November with prior permission of the Registering Authority. However, the management has failed to comply with the aforesaid Section and hence it is felt that there appears to be no chance or alternative of

improving such precarious conditions of the society. So also none of the members appears to be interested in running the day to day affairs of the society.

And whereas, it appears from the records of this office that the audit of the said society has been completed upto the year 1992-1993. However, repeated attempts have been made by this office to conduct the audit of the society by the auditor to whom the audit was allotted. The management have failed to extend Co-operation to undertake the audit and therefore, inordinate delay was caused which lead to the pendency of audit for more than 10 years. The audit report rested in this office exhibits the financial position as on 31-03-1993 is as follows. The society has sustained accumulated loss to the tune Rs. 4602.48, members Share capital or Rs. 11100/-, Bank I.O.B. loan Rs. 4736/-, Sundry Creditors Rs. 3230=85, Cash in Bank Rs. 601=70 Cash in hand Rs. 317=97, Dead stock Rs. 3922-75 and closing stock Rs. 9968=96. Considering the above position, it was mandatory on the part of the management to run the society smoothly and efficiently to achieve the objectives as laid down in its bye-laws. Despite of this fact, it has not taken any cognizance to streamline the working of the society nor made any attempts to improve the prevailing conditions and therefore lead to the stagnation of the society.

And whereas, this office vide letter mentioned at Sr. No. 2 has brought to the notice of the Chairman regarding non-compliance of the provisions of Rule 58 of the Co-op. Societies Rules, 1962 for the State of Goa and instructed them to prepare and submit the statement of Accounts by 28-02-2003 and was cautioned to take drastic action against the society as per the prevailing Law in force, in case the society fails to comply with the above requirements. Considering all the above aspects I am of the considered opinion that the management has not adhered to the instruction so also they are no more interested in managing the affairs of the society within the frame work of Act, Rules and Bye-laws of the society and therefore it is felt that no useful purpose will be served in continuing the existance of said society. If the said society is allowed to continue in a such state there will be no scope for the improvement and may lead to further deterioration.

In view of the above, the undersigned vide Notice mentioned at Sr. No. 3 has requested the Chairman alongwith the members of Managing Committee to remain present for the hearing scheduled on 31-08-2004 at 10.30 a.m. in the Chamber of undersigned in the terms of provisions of sub-section (2) of Section 102 of the Maharashtra Co-op. Societies Act, 1960 to submit their say in writing together with copies of the relevant documents to defend their say. However, none of the Committee Member remained present for the hearing on the scheduled date and time and also no written replies have been filed by the management in this respect.

On carefully examining the precarious state of present financial position and poor response from the

Management for Managing the affairs of the society as per the provisions of the Act, Rules and Bye-laws, there are grounds to believe that there is a prima-facie evidence that the society has ceased working and irregular conduct of aforesaid society by the office bearers and the members of Management. Consequently, in the interest of the justice and restoring of the trust of the shareholders there seems to be no other alternative//option before the Registering Authority but to wind up the affairs of the society.

Therefore, I am inclined to pass the following order.

ORDER

By virtue of the powers vested in me under Section 102(1) of the Maharashtra Co-op. Societies Act, 1960 as applied to the State of Goa read with Rule 84 of the Co-op. Accordingly, the management was given an ample opportunity to explain its stand in person, written etc. However, none of the members remained present to defend their say, therefore, I Ronnie Dias, Asstt. Registrar of Co-op. Societies, North Zone, Mapusa-Goa hereby confirm the aforesaid order in terms of Section 102(2) of Maharashtra Co-op. Societies, Act, 1960 as applies to the State of Goa.

Society Ltd., Corjuem, Aldona, Bardez-Goa.
